### 49. Read this story about an outstanding American actor and producer. Find out the traits of his character which made him famous.

This is a story that Charlie Chaplin liked to tell about himself (o cebe).

It happened after the great actor had become (стал) world famous. A theatre announced (объявил) a competition to see who could act like Charlie Chaplin. People who took part in it had to (должны были) dress like Chaplin, walk like Chaplin and act out one of the roles in a Chaplin film.

When Charlie Chaplin heard about the competition, he decided, as a joke, to take part in the competition himself (сам). Of course, he kept his plan a secret from everybody (в тайне от всех).

When the results of the competition were announced (были объявлены) Chaplin found out that he hadn't won the first prize (первое место). At first he was upset (расстроен) but then he decided that it was quite funny.
