Want to be my VIP?

You didn't RSVP

That's OK, that's OK

Welcome to the Tea Party (oh oh-oh oh)

Want to be my VIP?

When I'm all steamed up (up)

Hear me shout (shout)

Tip me over and pour me out

Your appetite is flex

I got the table set

Don't get your dribble on my t-t-t-table yet

I got the goodies baked

Got more than you can take

Just try and nibble on my biscuits

And my rainbow cake

Let's be traditional

And non commissiona

Elbows down (down), pinkies up (up)

That's the way you sip my cup

Welcome to the Tea Party (oh oh-oh oh)

Want to be my VIP? (oh oh-oh oh)

You didn't RSVP (oh oh-oh oh)

That's OK, that's OK

Welcome to the Tea Party (oh oh-oh oh)

Ведущий 1- Good afternoon dear friends! Welcome to our tea party!

It's common knowledge that the English are very fond of tea. They like to have a nice cup of tea from 6 to 8 times a day, sometimes even more.

Ведущий 2:From history

In the 1662 Prince Charles II married the Portuguese princess, Catherine of Braganza, who brought to England the habit of drinking tea. Firstly tea had the success among aristocracy, and then among other English citizens. The popularity of tea was formed slowly but forever.

Ведущий 1: The Englishmen drink tea several times a day. The earliest tea is called "English Breakfast". It comes at about eight. Then, at eleven or twelve time of "Lunch" comes there. "Tea Break" happens in the middle of the workday. It is called "12-oclock-tea". "Five o'clock tea" is the most popular and favorite tradition of drinking tea and eating cakes with friends. After that, "High Tea" comes there in the evenings.

Ведущий 2: There are some interesting facts:

The population of Great Britain is about 59 million people. Every day British people drink 165 million cups of tea. 98 per cent of British people drink tea with milk and only 30 per cent people drink tea with sugar.

Ведущий 1: According to the tradition "five o'clock tea is taken with bread, butter, fresh cucumbers .and tomatoes, eggs, different toasts, biscuits, jam, rolls and so on.

Ведущий 2: The British don't drink tea with lemon. They call it "Russian tea". They prefer "White tea"- tea with milk.

Ведущий 1: They like strong tea. In England they say jokingly: "The test of good tea is simple. If the spoon stands up in it, then it is strong enough; if the spoon starts to wobble, it is a feeble makeshift".

Ведущий 2- Millions of people in factories and offices look forward to their tea breaks in the morning and afternoon.

Ведущий 1 - Some British customs and traditions are famous all over the world: Bowler hats, drinking tea and talking about the weather, for example.

Ведущий 2 - There are four kinds of tea which are popular all over the world. They are green tea, red tea, yellow tea and black tea. They can be in large and small leaves and in granules. But Englishman most of all prefer black and green tea. In cold weather they like to drink tea with milk. Besides, **milk helps to determine the quality of tea. (Продемонстрировать):** How do it? We take two cups of tea and add some milk. If the colour is red or orange it's a good tea. But if the colour is grey its bad tea.

Ведущий 1: People keep customs and traditions. A lot of them have very long histories. Some are funny and some are strange. But they are all interesting.

по рецептам прежних лет».

(The song) I'm A Little Teapot

I'm a little teapot, short and stout

Here is my handle, here is my spout
When I get all steamed up, hear me shout
"Just tip me over and pour me out!"

I'm a clever teapot, yes it's true
Here let me show you what I can do
I can change my handle and my spout
Just tip me over and pour me out!

1. Fill in the kittle with fresh water and boil it.
2. As soon as the water is hot put a little of it into the tea pot to warm it.
3. Then dry the pot and put in one spoonful of tea for each person and one extra for the pot.
4. Pour the freshly boiled water into the pot.
5. Let the tea infuse for five minutes, then stir and serve.

Ведущий 2: Here are some ABC of Table manners for the English Tea drinking.
During drinking tea you must follow the next rules:

1. You must lay sugar in the tea carefully.
2. You must eat the pie with the help of spoon but not hands.
3. You mustn't tap the spoon for a cup stiring tea.
4. And one more: during drinking tea Englishmen speak only about pleasant things

Ведущий 1 - When Englishmen get together for drinking tea on their table you can see a lot of different dishes. For example, jam, biscuits, sweets, fruits, cheese, cakes, and of course an apple pie. It is the main dish of drinking tea.

Ведущий 2 - But I think it is interesting for us to know how to prepare an apple pie. May be you know its recipe.

Ведущий 2 – Yes, of course. We need:

- two big apples
- three eggs
- some butter
- a glass of cream
- one hundred grammas of sugar
- a glass or two of flour

And your pie is ready. Bon appety! Now you can make such pie at home according to this recipe.

Ведущий 1: Every country has its own tea – drinking habits. When tea was first brought to England people didn't know how it ought to be used. They boiled the leaves and put them on a piece of bacon, and then ate them. Can you imagine how tasty it was? No? You are welcome to see our drama “Tea Leaves”.

Раз прислал мне барин чаю и велел его сварить.

А я отроду не знаю, как же этот чай варить.

Взял тогда налил водички, всыпал чай я весь в горшок,

И приправил луку, перцу, да петрушки корешок.

Разлил варево по плошкам, хорошенько размешал,

Остудил его немножко, на господский стол подал.

Гости с барином плевались, сам он аж озверел,

И отправив на конюшню, меня выпороть велел.

Долго думал, удивлялся, чем же мог не угодить?

А потом-то догадался, что забыл я посолить.

(The song) English tea

Would you care to sit with me?

For a cup of English Tea

Very twee, Very me

Any sunny morning
What a pleasure it would be
Chatting so delightfully
Nanny bakes fairy cakes
Every Sunday morning
Miles and miles of English garden stretching past the willow tree
Miles of holly hocks and roses, listen most attentively
Do you know the name croquet?
Peradventure we might play
Very gay, hip hooray
Any sunny morning
Miles and miles of English garden stretching past the willow tree
Lines of holly hocks and roses listen most attentively
As a rule the church bells chime
When it's almost Supper time
Nanny bakes fairy cakes
On a Sunday morning

Ведущий 1: The English know how to make tea and what it does for you. Seven cups of it will wake you up in the morning and nine cups will put you to sleep at night.

If you are hot, tea will cool you down, and if you are cold, it will warm you up.

If you take it in the middle of the morning, it will stimulate you for further work; if you drink it in the afternoon, it will relax you for further thought. Thank you very much for a cup of English tea. Good bye!
